The Code of the Azerbaijan Republic

On administrative violations

(This Code was approved by the Law of the Azerbaijan Republic of 11th July, 2000, No. 906-1G)

General

Section I. General provisions

Chapter one. Legislation of the Azerbaijan Republic on administrative violations and its objectives and principles

Article 1. Legislation of the Azerbaijan Republic on administrative violations

1.1. The legislation of the Azerbaijan Republic on administrative violations shall consist of this Code.

1.2. This Code is based on the Constitution of the Azerbaijan Republic, as well as on generally accepted norms and principles of the international Law.

1.3. Laws, establishing the administrative responsibility and providing imposition of penalties in respect of persons committing administrative violations, shall be applied only after entering them into this Code.

Article 2. Objectives of the legislation of the Azerbaijan Republic on administrative violations

The legislation of the Azerbaijan Republic on administrative violations has objectives on protection of rights and freedom of people and citizens, protection of health, sanitary-epidemiology welfare of population, public moral, property, economic interest of persons, public order and public security, environment, management rules, strengthening legalities and preventing administrative violations.

Article 3. Grounds of an administrative violation

Only such person, who was declared guilty for committing administrative violations under this Code and had performed a deed (action or inaction) having all other signs of an administrative violation, shall be called to account and punished.

Article 4. The principles of the legislation of the Azerbaijan Republic on administrative violations

This Code is based on principles of respect for rights and freedom of human and citizen, legality, equality before Law, presumption of guiltlessness, justice and prevention of administrative violations.

Article 5. The Principles of respect for rights and freedom of human and citizens
5.1. The rights and freedom of human and citizens are of great value. All the state authorities (officials) having committed violation of these rights and freedom shall be responsible in the order provided by legislation of the Azerbaijan Republic.

5.2. This Code provides prevention by the state authorities (officials) violation of rights and freedoms of human and citizen and respect for these rights and freedoms.

5.3. When applying measures on provision of execution of administrative violation cases, it is not allowed to issue resolutions and take actions, humiliating the human dignity.

**Article 6. The principle of legality**

6.1. Disciplinary actions for administrative violations are applied in compliance with this Code.

6.2. Observance of requirements of the legislation, when applying measures on provision of execution of administrative violation cases, is ensured by managerial supervision of the higher authorities and officials, by court and prosecutor supervisions and by the right of appeal.

6.3. It is not allowed to apply the legislation of the Azerbaijan Republic on administrative violations by analogy.

**Article 7. The principle of equality**

7.1. The persons who have committed administrative violations are equal before the Law and are called to account regardless of the race, nationality, religion, language, sex, origin, property and official status, believes and other circumstances.

7.2. The legal persons are called to account regardless of the form of property, place of location, organizational and legal form and governance.

**Article 8. The principle of presumption of guiltlessness**

8.1. The person with respect to whom a case on administrative violation is pleaded shall not be found guilty if his guiltiness was not proved in the order provided by this Code, and not established by the acting resolution of the court, authorized body (official) considering the case on administrative violation.

8.2. The person being called to account for administrative violation has not to prove his guiltlessness.

8.3. Doubts regarding the guiltiness of the person called to account for administrative violation shall be resolved in his favour.

**Article 9. The principle of justice**

9.1. Penalties applied with regard to the person who has committed an administrative violation, must be fair, i.e., to correspond to the character of the administrative violation, circumstances of commitment, to be legal and proven.

9.2. No one may be called to account for administrative violation twice for the same case.
Article 10. The principle of preventing administrative violations

The state authorities and official bodies of local self-government are working out and performing actions to prevent administrative violations, to discover and eliminate reasons and conditions promoting to commit administrative violations. They try to increase sense of justice and culture of citizen and bring them up in a spirit of a b observance of the legislation of the Azerbaijan Republic.

Article 11. Implementation of the legislation of the Azerbaijan Republic on administrative violations

11.1. In the Azerbaijan Republic, conducting cases on administrative violations, adoption and implementation of resolutions on them are carried out in compliance with the legislation of the Azerbaijan Republic on administrative violations active at the moment.

11.2. Standard legal acts mitigating or removing responsibility for administrative violations, have a retroactive effect i.e., they shall be applied to the violations which had been committed before these acts were accepted.

11.3. Standard legal acts, defining or aggravating responsibility for administrative violations do not have a retroactive effect.

Chapter two. An administrative violation and administrative responsibility

Article 12. Concept of an administrative violation

An administrative violation is characterised as a guilty (deliberate or careless) deed (action or inaction), infringing upon social relations protected by this Code, which would involve an administrative liability.

Article 13. Commitment of an intentional administrative violation

An administrative violation is recognised to have been done intentionally if the person who performed it has acknowledged the illegal character of the deed (action or inaction), had foreseen its harmful consequences, and wished them or deliberately promoted to beginning of these consequences.

Article 14. Commitment of an administrative violation upon carelessness

An administrative violation is recognised to have been done upon carelessness if the person who performed it had foreseen the possibility of beginning of harmful consequences of his deed (action or inaction), but thoughtlessly counted on preventing them or had not foreseen beginning of such consequences, though he could have foreseen them.

Article 15. Administrative responsibility of natural persons

15.1. The persons who have reached 16 years upon performing the administrative violation shall be called to account for an administrative violation.

15.2. The persons aged 16 to 18 who have committed an administrative violation may be released from bearing the responsibility by the commissions on cases and protection of
rights of juveniles taking into consideration concrete circumstances of the case, their
psychical development, live condition, health and education conditions, and with regard
to these persons may be applied measures of influence, provided by the «Regulations for
commissions on cases and protection of rights of juveniles»

15.3. Military men, in cases where it is directly provided by the disciplinary service
regulations, bear disciplinary responsibility for administrative violations, but in other
cases—general administrative responsibilities.

15.4. Persons except as provided by the Article 15.3 hereof to whom actions of the
disciplinary regulations or provisions about discipline are applied, in cases that are
directly provided by these regulations for committing the administrative violations during
fulfilling their service liabilities shall bear disciplinary responsibility, and in other cases-
general administrative responsibility.

15.5. Judge, an authorised body (official), who is empowered to impose administrative
penalties with regard to persons mentioned in the Article 15.3 of this Code has the right
instead of imposing penalty to hand over the case on administrative violation to the
relevant bodies of executive power of the Azerbaijan Republic to decide the issue of
calling to account for disciplinary liabilities.

15.6. Foreigners and persons without citizenship are called to account for administrative
violations committed in the territory of the Azerbaijan Republic as per generally accepted
rules.

15.7. The matter of responsibility for administrative violations committed by foreigners
in the territory of the Azerbaijan Republic who, according to the international treaties of
the Azerbaijan Republic, benefit from immunity in the Azerbaijan Republic, shall be
considered in accordance with the standards of the international Law.

Note: In article 15.3 of this Code «military man» means the officer staff, ensigns, warrant
officers of the relevant bodies of executive power of the Azerbaijan Republic, servicemen
of additional service, servicemen of the effective service for a fixed period.

In the article 15.4 of this Code the «persons, to whom actions of the disciplinary
regulations or provisions about discipline are applied» mean those performing their
service liabilities at relevant bodies of executive power of the Azerbaijan Republic.

In the article 15.6 of this Code the «foreigners» mean those not being the citizen of the
Azerbaijan Republic and having citizenship of other state.

The «persons without citizenship» mean those not being the citizen of the Azerbaijan
Republic and also not being citizen of the other state.

Article 16. Administrative responsibility of officials

Officials bear administrative responsibility for administrative violations connected with
non-fulfilment or improper fulfilment of their duties.

Note: «The officials» mean persons who carry out duties of a representative of the state
power, persons working full-time or part-time at economic-administering positions at
state authorities, institutions of local governing, Armed Forces of the Azerbaijan
Republic, at other bodies of troops established in accordance with the legislation of the Azerbaijan Republic, at state and non-state organisations, establishments and enterprises, or persons who perform similar duties in view of special authority, also natural persons who perform such duties dealing with business undertakings without establishing a legal person.

Article 17. Administrative responsibility of legal persons

Legal persons including foreign legal persons bear administrative responsibility for administrative violations under this Code as per generally accepted rules.

Chapter three. Circumstances excluding the administrative responsibility

Article 18. Urgency

The deed which though corresponds to features of the provisions of the Special section of this Code, but it was committed in a state of urgency i.e., to prevent the danger threatening to the state or public interests, health, rights and legal interests of this or other persons is not considered an administrative violation, if such danger could not have been removed by other means and if the damage caused by this action was of a less value than the damage prevented.

Article 19. Necessary defence

The action which though relates to features of the deeds provided in a Special part of this Code but committed in a state of necessary defence, i.e., when defending state and public interests, rights or legal interests of the person who committed this deed or of the other person by means of causing damage to the invader, is not considered an administrative violation.

Article 20. Irresponsibility

The person who when committing an unlawful deed (action or inaction) was in a state of irresponsibility, i.e., could not think of physical character and public danger of his/her actions or could not manage them as a result of chronic mental disease, temporary disturbance of the mental activity, weak-mindedness or other mental disease shall not bear administrative responsibility.

Article 21. Application of more smoother administrative penalty or releasing from administrative responsibility in view of the insignificant of the administrative violation

If the administrative violation is insignificant, a judge, an authorised body (official), having the right to impose administrative penalties, may substitute an administrative penalty with regard to the person who has committed the administrative violation for more softer type of administrative penalty or release him from the administrative liability.

Chapter four. Administrative penalty

Article 22. Objectives of the administrative penalty

An administrative penalty is a measure of responsibility and is applied with the objective to bring up the person who has committed an administrative violation in the spirit of
following the Law and also to prevent committing the new administrative violations both by aforementioned person and the others.

**Article 23. Types of administrative penalties**

23.1. The following administrative penalties may be applied for committing administrative violations:

23.1.1. Warning;

23.1.2. Administrative penalty;

23.1.3. Withdrawal of the item being an instrument to commit administrative violation or a direct object of administrative violation with further compensation;

23.1.4. Confiscation of the object being an instrument to commit an administrative violation or a direct object of administrative violation;

23.1.5. Restriction on the special right given to a natural person who has committed an administrative violation;

23.1.6. Administrative extradition of the foreigners or the persons without citizenship;

23.1.7. Administrative arrest;

23.2. With regard to legal persons are applied types of administrative penalties provided by articles 23.1.1—23.1.4 of this Code.

**Article 24. Warning**

Warning, being the type of administrative penalty, is a measure of official warning of inadmissibility of unlawful deeds, which is applied with regard to persons. The warning shall be made in writing.

**Article 25. Administrative penalty**

25.1. An administrative penalty is the amount of money fixed by judges, an authorised body (official) and is forcibly withdrawn from the person who was found guilty, in favour of the state in cases provided by this Code.

25.2. Administrative penalty may be expressed in manats and by the following criteria;

25.2.1. value of the item, which was a direct object of administrative offence at the time when administrative offence ceased to exist or was prevented;

25.2.2. amount of payments, taxes that were due, but not paid by the time the administrative offence ceased to exist or was prevented;

25.2.3. the sum of invoices, taxes due, but outstanding at the moment of completion of the administrative violation or at the moment it was stopped;
25.3. Amount of the penalty imposed for the administrative violation may not be less than three manats.

25.4. Amount of administrative penalties calculated in manats and for administrative offences may not exceed: for natural persons — one thousand manats, for officials — five thousand manats, for legal persons — fifty thousand manats.

25.5. Amount of penalty measured at cost of the item, being a direct object of the administrative violation may not exceed hundred percent of the item value, and the amount of penalty measured at the sum of outstanding credits, taxes—one hundred and fifty percent of these credits and taxes.

25.6. The administrative penalty is transferred to the state budget of the Azerbaijan Republic except as otherwise provided the Law. (1, 101, 119)

Article 26. Withdrawal of the item being an instrument to commit administrative violation or direct object of administrative violation

26.1. Withdrawal of the item being an instrument to commit administrative violation or direct object of the administrative violation means its forced withdrawal and subsequent sale and hand-over of proceeds to the previous owner with deduction of all expenses on the sale of the item withdrawn.

26.2. Judge applies withdrawal of the item being an instrument to commit administrative violation or direct object of the administrative violation.

26.3. Withdrawal of the gun, ammunition and other hunting guns may not be applied to the persons, for whom hunting is the main source of living.

26.4. Procedure for withdrawing the item is defined by this Code and the other legislation of the Azerbaijan Republic.

Article 27. Confiscation of the item being an instrument to commit administrative violation or direct object of the administrative violation

27.1. Confiscation of the item, being a private property of the person found guilty and an instrument to commit the administrative violation or a direct object of the administrative violation, consists of the forced conversion of this item into state property without compensation provided by the Special part of this Code.

27.2. Judge applies confiscation of the item being an instrument to commit the administrative violation or a direct object of the administrative violation.

27.3. Confiscation of the gun, ammunition and other hunting guns may not be applied to persons for whom hunting is the main source of living.

27.4. This Code and other legislation of the Azerbaijan Republic define procedure for confiscation of the item.

Article 28. Restriction on special right of a natural person
28.1. Restriction on the special right of a natural person with term from two months to two years is applied for gross or systematic violation of procedures on using this right.

28.2. Restriction on the driving license may not be applied to a persons who uses the transport means in view of his disablement, excluding the cases when the driver was found in a state of alcoholic intoxication.

28.3. Restriction on the driving license without imposing an administrative penalty is carried out in cases when the driver gathered 10 and more points for committing violations, which are estimated in points and defined by the articles 151.2, 151.3, 152-1.1, 152-1.2, 155.3 and 156 of this Code.

28.4. Deprivation of the hunting rights may not be applied to persons for whom the hunting is the main source of living.(102)

Article 29. Administrative extradition beyond the bounds of the Azerbaijan Republic

Administrative extradition of foreigners and persons without citizenship beyond the bounds of the Azerbaijan Republic is applied in cases defined by the Special Part of this Code.

Article 30. Administrative arrest

30.1. Administrative arrest is established and applied only in exceptional cases for special types of administrative violations for a term up to 15 days.

30.2. Administrative arrest shall not be applied to pregnant women, to women having a child younger 8 years, to men independently raising a child younger 8 years, to persons under age of eighteen, to disabled persons of 1st and 2nd groups, and also to women over 60, and to men over 65 years of age.

30.3. The term of the administrative detention is added to the term of the administrative arrest. (103)

Article 31. Types of the main and additional administrative penalties

31.1. Warning, administrative penalty or administrative arrests are applied only in the capacity of the main administrative penalty.

31.2. Withdrawal or confiscation of the item being an instrument to commit an administrative violation or direct object of an administrative violation, restriction on the special right of a natural person, administrative extradition of foreigners and persons without citizenship beyond the boundaries of the Azerbaijan Republic shall be applied as types of both the main and also the additional administrative penalties.

31.3. For one and the same administrative violation shall be imposed either a main or an additional penalty.

Chapter five. Imposition of an administrative penalty

Article 32. General rules on imposition administrative penalty
32.1. Penalty for an administrative violation is imposed in accordance with this Code.

32.2. When imposing administrative penalty on natural persons or officials are considered the character of the violation, personality of the person committed this violation, extent of the fault, status of property, and also circumstances mitigating and aggravating responsibility.

32.3. When imposing administrative penalty on legal persons are considered the character of the violation, financial and ownership conditions of the legal person, and also circumstances mitigating and aggravating the responsibility.

32.4. Imposition of administrative penalties does not release the person from fulfilling his duties, non-fulfilment of which has caused this administrative penalty.

**Article 33. Circumstances mitigating responsibility for administrative violation**

33.1. Circumstances mitigating responsibility when imposing administrative penalties are acknowledged:

33.1.1. Sincere repentance of the person found guilty;

33.1.2. Removal of harmful consequences of the committed administrative violation or voluntary compensation of the damage by the person found guilty;

33.1.3. If an administrative violation was committed by an under age person;

33.1.4. If an administrative violation was committed by a pregnant woman or a woman having an underage child.

33.2. The legislation of the Azerbaijan Republic may also provide other circumstances mitigating responsibility for administrative violation. A judge, an authorised body (official), considering the case on administrative violation may also acknowledge as mitigating the circumstances not provided by legislation.

**Article 34. Circumstances, aggravating responsibility for an administrative violation**

34.1. Circumstances aggravating responsibility when imposing administrative penalties are acknowledged:

34.1.1. continuance of the unLaw ful actions in spite of demand of an authorised persons to stop it;

34.1.2. repeated commitment of the similar deed during one year for what the person was already imposed on an administrative penalty;

34.1.3. involving underage children in committing an administrative violation;

34.1.4. commitment of an administrative violation by the group of people;

34.1.5. commitment of an administrative violation in conditions of natural disaster or other states of emergency;
34.1.6. Commitment of an administrative violation in the state of alcoholic intoxication.

34.2. A judge, an authorised body (official), imposing administrative penalty, depending on the character of the administrative violation may not acknowledge the circumstance mentioned in the article 34.1.6 of this Code aggravating.

**Article 35. Imposing administrative penalties when committing several administrative violations**

35.1. If one and the same person has committed two or more administrative violations an administrative penalty shall be applied for each of these violations separately.

35.2. When several administrative offences, committed by one person are considered by the same authority, a penalty, stipulated for more serious offence will be imposed to this person. In this case, one of the additional penalties, stipulated for any of the committed offence will be added to the principal offence. (7, 119)

**Article 36. Terms of imposing an administrative penalty**

36.1. Administrative penalty may be imposed not later than before two months expires from the date of commitment of the administrative violation. For administrative violations infringing upon regulations in the sphere of customs, safety regulations, environment, finance, taxes and duties, administrative penalties may be imposed on not later than before one year expires after the date of commitment of the administrative violation.

36.2. Administrative penalty for continued administrative violations shall be imposed not later than before two months expires after the administrative violation was revealed.

36.3. If a criminal case was either rejected or stopped and there are all features of an administrative violation in deeds of the person, administrative penalty may be imposed on not later than before two months expires from the date of making decision to either reject a criminal case or stop it.

36.4. When returning the case of administrative offence committed by underage at the age of sixteen to eighteen years old, by the commission for juvenile matters and protection of their rights to respective state authority in an order established by the legislation, an administrative penalty may be applied not later than on the expiry of two months from the day of such case return. (23, 119)

**Article 37. Terms after what a person may not be imposed on an administrative penalty**

If a person who was imposed on an administrative penalty, during one year after the completion of the execution of the penalty has not committed a new administrative violation, shall not be considered subjected to administrative penalty.

**Article 38. Compensation of the property damage**

38.1. Judge, an authorised body (official) when considering a case on the administrative violation has the right at the same time to impose administrative penalty and decide an
issue on compensation of the property damage caused, unless there is an argument about compensation of it.

38.2. If there is an argument about compensation of the property or of the ethical damage caused by the administrative violation the issue of such compensation shall be resolved in accordance with the legislation of the Azerbaijan Republic.

**Special Part**

**Section II. Administrative violations**

88-2.1. Fencing or enclosing by any other means of land sites handed over for use or rent in an order established by the legislation and located below 80-130 meters offshore strip of Caspian Sea (lake) belonging to Azerbaijan Republic and seashore access restriction— shall involve penalisation on natural persons at the rate of fifteen to twenty five manats, on officials - at the rate of thirty to fifty manats, on legal entities — at the rate of one hundred to one hundred fifty manats.

88-2.2. Repeated commitment of violations within a year after receiving an administrative penalty, established by article 88-2.1 of this Code — shall involve penalisation on natural persons at the rate of twenty five to thirty five financial conventional units, on officials — at the rate of sixty to eighty financial conventional units, on legal entities — at the rate of one hundred fifty to two hundred fifty manats. (28, 119)

Article 88-3. Violation of rules on allotment of land sites for construction

Violation by officials of the rules stipulated by the legislation on allotment of land sites (except for land sites in fenced-off areas of main pipelines, electricity supply network with voltage more than 1000 V, underground, railway structures, guarded objects, technical plants of water supply systems and sewerage, oil wells, highways or water protection zones) for construction — shall involve penalisation at the rate of sixty to ninety manats. (48, 119)

Article 89. Destruction of boundary-marks

Destruction of boundary marks of lands, being the property or taken for rent, — shall involve penalisation at the rate of fifteen to twenty manats. (1, 119)

Article 90. Destruction of meteorological nets, measuring facilities on the lands and change of category of the land

90.1. Destruction of meteorological nets, measuring and other facilities, geological base stations or reclamation and irrigation systems on lands— shall involve penalisation on natural persons at the rate of six hundred to eight hundred, on officials - one thousand six hundred to two thousand four hundred manats.

90.2. Change of category of the lands not observing the legislation— shall involve penalisation on natural persons at the rate of twenty to twenty five, on officials - fifty to seventy manats.

90.3. Destruction of melioration and irrigation systems—
shall involve penalisation on natural persons at the rate of fifteen to twenty, on officials - forty to sixty manats. (1, 101, 105, 119)

Article 91. Violation of the established rules of using the forest fund, logging and removal of logs

Violation of the established rules of using the forest fund, logging and removal of logs—

shall involve penalisation on natural persons at the rate of three hundred to nine hundred, on officials - two thousand seven hundred to three thousand six hundred, on legal persons — five thousand four hundred to seven thousand eight hundred manats. (1, 101, 119)

Article 92. UnLaw ful cut and damage of trees and shrubs in the forest fund without having a felling permit, abolishment or damage of forest crops and saplings

92.1. UnLaw ful cut and damage of trees and shrubs in the forest fund without having a felling permit, abolishment or damage of forest seedlings and plantings in the forest plantations, farms and on plantations, and also saplings of the natural origin and self-seeding on the grounds assigned for forest recreation,—

shall involve penalisation on natural persons at the rate of seven hundred fifty to one thousand, on officials - four thousand two hundred to four thousand eight hundred manats.

92.2. Damage of trees and shrubs not related to the forest fund,—

shall involve penalisation on natural persons at the rate of six hundred twenty five to seven hundred fifty, on officials—three thousand nine hundred to four thousand eight hundred manats. (1, 101, 119)

Article 93. Use of the forest not corresponding to the purposes and requirements mentioned on the felling permit

Use of the forest not corresponding to the purposes and requirements mentioned on the felling permit,—

shall involve penalisation on natural persons at the rate of three hundred to six hundred, on officials - two thousand four hundred to two thousand seven hundred, on legal persons— six thousand to seven thousand eight hundred manats. (1, 101, 119)

Article 94. Violation of rules on restoration, increasing productivity, improving the breed of forests and using resources of the ripe wood

Violation of rules on restoration, increasing productivity, improving the breed of forests and using resources of the ripe wood—

shall involve penalisation on natural persons at the rate of five hundred to one thousand, on officials - two thousand four hundred to three thousand, on legal persons— seven thousand eight hundred to nine thousand manats. (1, 101, 119)
Article 95. Damage and spoilage of the hayfields and pastures on lands of the forest fund

Damage and spoilage of the hayfields and pastures on lands of the forest fund—

- shall involve penalisation on natural persons at the rate of three hundred to six hundred, on officials - two thousand four hundred to three thousand six hundred, on legal persons— six thousand six hundred to seven thousand eight hundred manats. (1, 101, 119)

Article 96. Willful mowing or pasturage of cattle, willful collection of wild—growing fruits, nuts, mushrooms, berries in the fields of the forest fund

Willful mowing or pasturage of cattle, willful collection of wild—growing fruits, nuts, mushrooms, berries etc. in the fields where it was prohibited or is allowed only upon felling ticket—

- shall involve penalisation on natural persons at the rate of four hundred to six hundred, on officials - one thousand eight hundred to two thousand four hundred, on legal persons – five thousand two hundred to six thousand four hundred manats. (1, 101, 119)

Article 97. Erection and transfer of manufacturing objects on lands of the forest fund without installation preventing the harmful impact on the forest

Erection and transfer of manufacturing objects on lands of the forest fund without installation preventing the harmful impact on the forest—

- shall involve penalisation on natural persons at the rate of seven hundred fifty to one thousand, on officials - one thousand five hundred to two thousand two hundred, on legal persons— nine thousand to twelve thousand manats. (1, 101, 119)

Article 98. Abolishment and spoilage of forest irrigation units, drainage systems and roads on lands of the forest fund

Abolishment and spoilage of forest irrigation units, drainage systems and roads on lands of the forest fund—

- shall involve penalisation on natural persons at the rate of three hundred to six hundred, on officials - two thousand four hundred to three thousand six hundred, on legal persons— six thousand to seven thousand two hundred manats. (1, 101, 119)

Article 99. Abolishment and damage of restrictive marks (post pointing the border, blocks etc.) on lands of the forest fund

Abolishment and damage of restrictive marks (post pointing the border, blocks etc.) on lands of the forest fund—

- shall involve penalisation on natural persons at the rate of three hundred to six hundred, on officials - two thousand four hundred to three thousand, on legal
Article 100. Abolishment of productive fauna of the forest

Abolishment of productive fauna of the forest—

- shall involve penalisation on natural persons at the rate of two hundred fifty to five hundred, on officials - two thousand to three thousand, on legal persons – six thousand to seven thousand five hundred manats. (1, 101, 119)

Article 101. Violation of rules on use of water objects and water

101.1. Violation of rules on use of water objects, i.e.:

101.1.1. willful erection of hydro-technical and other installations on the water objects;

101.1.2. willful occupation of water objects;

101.1.3. violation of conditions established by a special license or consent for use of water objects,—

- shall involve penalisation on natural persons at the rate of ten to fifteen, on officials - thirty to forty five, on legal persons—one hundred fifty to one hundred seventy manats.

101.2. Willful use of water without having a proper license, i.e.

101.2.1. Non-observance of limits on use of water;

101.2.2. Waste of water resources;

101.2.3. Willful collection of water from the water pipeline system, canals;

101.2.4. Discharge of drinking, domestic, technical and drainage waters away (to fields, streets, public supply system, communication and energy nets) unnecessarily—

- shall involve penalisation on natural persons at the rate of twenty to forty, on officials - sixty to ninety, on legal persons—one hundred fifty to three hundred manats. (1, 85, 99, 119)

Article 102. Violation of regulations on preservation of water objects

102.0. Violation of regulations on preservation of water objects, i.e.:

102.0.1. exploitation of enterprises, public supply systems and other objects without having installations and equipment to prevent pollution, obstruction of water objects and harmful impacts on water;
102.0.2. damage of domestic water installations and equipment, non-observance of rules of exploitation;

102.0.3. non-observance of regulations of water protection areas and protection of zones of coastal command;

102.0.4. violation of regulations of the specially guarded water objects;

102.0.5. non-observance of rules of conducting state monitoring of water objects, state registration of waters, state water land-survey;

102.0.6. pollution of waters on the areas of water collection violating regulations of protection of the water objects, violation of rules on use of lands, which may bring to water erosion and other harmful consequences;

102.0.7. violation of rules and techniques of drilling of wells for production of water or drilling such wells without proper license—

- shall involve penalisation on natural persons at the rate of six hundred to one thousand, on officials - two thousand five hundred to three thousand seven hundred fifty, on legal persons— seven thousand five hundred to ten thousand manats. (1, 101, 119)

Article 103. Violation of requirements for zones of sanitary protection of resources of drinking water, water filtration installations, water pipeline and quality of water

103.1. Violation of requirements for zones of sanitary protection of resources of drinking water, water filtration installations, water pipeline—

- imposition of penalty on natural persons at the rate of one hundred to two hundred manats, on officials at the rate of two hundred to three hundred manats, on legal entities at the rate of three hundred to five hundred manats.

103.2. Non-compliance of the drinking water quality with sanitary requirements and state standards—

- imposition of penalty at the rate of three hundred to five hundred manats. (1, 48, 114, 119)

Article 104. Violation requirements on disposition and treatment of waste products

104.1. For burial of waste products in the territory of cities or other residential areas, forests-park tourism and recreation zones, resorts, medical-health and sanitary control centres, sanitary control zones of mineral springs, at places where cracked rocks and aqueous layer come out to the surface, as well as water reservoir areas of underground water objects used for drinking water supply and household and domestic needs, at the same time in cases when danger is created, which would result in pollution of places where there are minerals and carrying out underground works, at places where there are minerals layers and underground works are carried out—
shall involve penalisation on natural persons at the rate of seven hundred fifty to one thousand, on officials - three thousand to three thousand seven hundred fifty, on legal persons— eight thousand five hundred to ten thousand manats.

104.2. Violation of norms and rules on evaluation, design, construction, usage and liquidation of points of treatment of waste products—

shall involve penalisation on officials at the rate of three thousand five hundred to four thousand five hundred, on legal persons— ten thousand to fifteen thousand manats. (1, 101, 113, 119, 120)

Article 105. Violation of the legislation on pesticides and agrochemical substances

105.0. Violation of the legislation on pesticides and agrochemical substances, i.e.:

105.0.1. Concealment or falsification of information, related to pesticides and agrochemical substances, having created or being capable to create a threat for life, health, property of people and the environment;

105.0.2. Assumption of import, export and use of pesticides and agrochemical substances, which have not been tested by the state bodies and not registered, except as otherwise specified by legislation;

105.0.3. Assumption of sale and use of useless and prohibited for use pesticides and agrochemical substances or agricultural and food products, which contain the aforementioned substances not complying with the established standards;

105.0.4. Violation of rules on implementation, use, neutralisation and burial of pesticides and agrochemical substances, means and materials—

shall involve penalisation on natural persons at the rate of twenty to forty, on officials— sixty to seventy, on legal persons—one hundred to one hundred fifty conventional financial units. (1, 90)

Article 106. Non-observance of liabilities on registration in the ship documents of operations being conducted with harmful substances or mixtures of these substances

Non-observance of liabilities on registration of operations being conducted with substances harmful for health of people or bio-resources of the sea, or with the mixtures containing such substances exceeding the established norms, in the ship documents by the captain, other members of the crew of the ship or other self-floating structure or entering by the aforementioned persons insufficient information about similar operations in the ship documents, and also unLaw ful refuse to present such documents to the appropriate officials—

shall involve penalisation at the rate of thirty five to seventy manats. (1, 119)

Article 107. Non-observance or violation of requirements on ensuring radiation safety

107.0. Non-observance or violation of requirements on radiation safety, i.e.:
107.0.1. lack of provisions on radiation safety during the work with sources of ionising radiation;

107.0.2. lack of provisions on safety of population from impact of natural radionuclide;

107.0.3. lack of provisions on radiation safety during production and usage of food products;

107.0.4. lack of provisions on radiation safety of the population while conducting medical X-ray- radiological procedures;

107.0.5. lack of provisions on radiation safety during the radiation accident—

- shall involve penalization on natural persons at the rate of seven hundred fifty to one thousand manats, on officials - two thousand five hundred to three thousand five hundred conventional financial units, on legal persons—ten thousand two hundred to twelve thousand manats. (1, 3, 101, 119)

**Article 108. Violation of the legislation on hydro-meteorological service**

108.0. Violation of the legislation on hydro-meteorological activity, i.e.:

108.0.1. non-observance of requirements of the standard-technical documents on hydro-meteorological activity by the manufacturers and consumers of information about hydrometeorology and monitoring of the native zone;

108.0.2. transfer of materials of state fund of the Azerbaijan Republic on information about hydrometeorology and monitoring of the native zone to other persons, or copying of such materials without consent of the fund manager;

108.0.3. non-transfer of the ready materials to the state fund of the Azerbaijan Republic on information about hydrometeorology and monitoring of the native zone for official use in cases established by legislation;

108.0.4. non-provision of inviolability of observatories, stations and other observatory points on hydrometeorology and monitoring of the native zone and measuring devices on the lands and water objects where the aforementioned objects are installed, by the proprietor and users, non-announcement about spoilage and destruction of these objects or non-creation of proper conditions for conducting hydrometeorological works in such objects;

108.0.5. transfer, dislocation of the observatory nets or suspension of their operation without an appropriate consent;

108.0.6. usage of technical complexes, carrying out operations actively impacting the atmospheric processes, for other purposes without having a proper consent;

108.0.7. Dealing with one or another domestic activity on zones of preservation of hydro-meteorological observatory nets—
shall involve penalisation on natural persons at the rate of three hundred twenty to six hundred, on officials - two thousand to two thousand eight hundred, on legal persons—six thousand to eight thousand manats. (1, 101, 119)

Article 109. Violation of the legislation on geodesy and cartography

109.0. Violation of the legislation on geodesy and cartography, i.e.:

109.0.1. setting in a trade turnover of geodesy and cartography materials and information, geodesy and cartography equipment and devices of special-purpose, which did not pass a state registration or take out a patent, or certified in due order established by legislation;

109.0.2. spoilage or damage of the state geodesy base stations or ground signs;

109.0.3. dislocation or reconstruction of the state geodesy base stations and ground marks or installation of new stations and signs without the consent of the state body on geodesy and cartography—

shall involve penalisation on natural persons at the rate of five to fifteen, on officials - seventy to ninety, on legal persons—two hundred fifty to three hundred manats. (1, 119)

Article 110. Non-observance of the requirements on preservation of the environment during warehousing and burning of the industrial and domestic waste products

Violation of regulations on storage of industrial and domestic waste products, non-observance of the requirements on preservation of the environment during the aforementioned waste products—

shall involve penalisation on natural persons at the rate of five hundred to seven hundred fifty, on officials - two thousand to three thousand, on legal persons—six thousand five hundred to eight thousand manats. (1, 101, 119)

Article 111. Violation of regulation on preservation of the fish reserves

111.1. Violation of regulation on preservation of the fish reserves—

shall be punished by confiscation of the item being an instrument for perpetration or a direct object of the administrative violation or shall involve penalisation at the rate of seven hundred fifty to one thousand seven hundred fifty manats with confiscation.

111.2. Gross violation of regulations of hunting (hunting without a proper license, or hunting on the prohibited areas, or unauthorised periods, unauthorised instruments or means), and also systematic violation of other regulations on hunting—

shall be punished by confiscation of the item being an instrument for perpetration or a direct object of the administrative violation or shall involve penalisation at the rate of one thousand to two thousand manats with confiscation or restriction of rights for hunting from six months to two years. (1, 101, 119)
Article 112. Violation of regulation on use of objects of the animal world

112.0. Violation of regulation on use of objects of the animal world, i.e.:

112.0.1. exceeding the limits on usage of objects of the animal world;

112.0.2. non-observance of the requirements of the state ecological commission of experts;

112.0.3. non-observance of the requirements on preservation of the bio-types of animals, conditions of their breeding and ways of migration;

112.0.4. willful burn of dried-up plants or their odds and ends;

112.0.5. violation of the regulations on storage, transportation and application of means on preservation of plants, auxesis, fertilisers and other substances (chemicals);

112.0.6. usage of genetic modified organisms when resettling, climatic adoption and breeding the animals, carried out wilfully or violating the established rules;

112.0.7. concealment or falsification of information about condition, quantity and use of the objects of the animal world—

- shall involve penalisation on natural persons at the rate of five hundred to seven hundred fifty, on officials - two thousand to three thousand, on legal persons – five thousand five hundred to seven thousand manats. (1, 101, 119)

Article 113. Violation of the legislation on environmental safety

113.1. Violation of the legislation on environmental safety, i.e.:

113.1.1. carrying-out the domestic and other kind of activity, negatively affecting directly or indirectly onto the environment, without having a positive certificate from the state ecological commission, and also the activity which was recognized by the certificate of the state ecological commission harmful for environment;

113.1.2. carrying-out a domestic or other kind of activity involving hard environmental consequences;

113.1.3. carrying-out a domestic or other kind of activity not corresponding to the requirements of provision on environmental safety;

113.1.4. entering the useless lands in the new domestic or other turnover (virgin lands) without their restoration in an order established by legislation;

113.1.5. carrying-out an activity involving global negative changes of the environment and its component, including those violating the international contracts in the field of environmental safety;
113.1.6. use, breeding or circulation of organisms not related to the environment of the respective territory, and also those received by artificial methods, without conducting measures on prevention of their uncontrolled breeding;

113.1.7. application of extremely hazardous for the environment and people substances;

113.1.8. use of toxic substances, capable to accumulate in the human organism and the environment and not subjects to natural disruption, and also application of toxic substances, technological neutralisation of which is too dangerous;

113.1.9. import into the country or production of the goods, technology of treatment, neutralisation and reuse of which is too dangerous for the environment;

113.1.10. import into the country of radio-active waste products, worked-out, useless for reuse nuclear fuel, toxic and other dangerous industrial and domestic waste products, mentioned in the list established by the appropriate standard-legal acts, other radio-active substances and nuclear materials, non-toxic waste products useless for reuse, and also substances, technology of use and reuse of which is too dangerous for the environment safety;

113.1.11. carrying –out other activity, which is considered environmentally dangerous in accordance with the appropriate standard-legal acts;

113.1.12. conducting scientific-research, economic and other tests following commitment of violations mentioned in articles 113.1.1—113.1.11 of this Code—

- shall involve penalisation on natural persons at the rate of two hundred fifty to seven hundred fifty, on officials - two thousand five hundred to three thousand five hundred manats.

113.2. Violation of vibration and noise pollution norms negatively affecting the environment and human health, –

- shall involve penalisation on natural persons at the rate of three hundred to eight hundred, on legal entities - eight thousand to twelve thousand manats.(1, 101, 110, 119)

Chapter ten. Administrative violations infringing upon regulations in the field of industry use of electrical and fuel energy

Article 114. Violation of regulation and norms on safe conducting of works in fields of the industry

114.1. Violation by officials of rules and norms concerning safe execution of works at industrial fields and objects with danger potential —

- shall involve penalisation at the rate of thirty to fifty manats.

114.2. Violation of regulation on safe conduct of works on the objects under control of the appropriate bodies of executive power of the Azerbaijan Republic—
Article 115. Violation of regulations and norms on storage, use and registration of explosive materials in branches of the industry

Violation by officials of rules and norms concerning safe execution of works at industrial fields and objects with danger potential —

- shall involve penalisation at the rate of thirty five to fifty manats. (1, 119, 131)

Article 115-1. Violation of legislation on hydraulic structures safety

115-1.0. Violation of legislation on hydraulic structures safety, i.e.:

115-1.0.1. Carrying out of blasting operations (except for blasting operations, carried out in wells located at offshore rigs), exploitation of underground natural resources and also placement of objects which may have a physical, chemical and biological impact on plants and environment within the limits of protection areas of hydraulic structures of special public purpose;

115-1.0.2. Failure to prepare declaration for hydraulic structures safety by owner or user in the course of projecting, construction and exploitation and also their rehabilitation, major overhaul, reconstruction and conservation;

115-1.0.3. Stating of false information in declaration for hydraulic structure safety by owner or user of hydraulic plant —

- shall involve penalization on authorized persons at the rate of forty to sixty manats, on legal entities — at the rate of one hundred to one hundred fifty manats. (29, 119)

Article 116. Violation of regulations on use of electrical and thermal energy

116.0. Violation of regulations on use of electrical and thermal energy, i.e.:

116.0.2. non-observance of regulations of technical exploitation of electrical and thermal equipment, installations, systems of energy saving or violation of established requirements on increasing and keeping their engineering performance standards;

116.0.2. falsification of record and accountancy of consumption of electrical and thermal energy and out-of-sequence submission of the related information;

116.0.3. violation of the requirements on making an energy examination when installing electrical or thermal equipment, installations, devices and related to them new technologies, and also deliberately giving a false expert evaluation;

116.0.4. financing of building the electrical and thermal equipment, installations, devices and related to them new technologies not meeting requirements of the energy standards, their start-up and sale without certificate of the state energy commission of experts;
116.0.5. violation of regulations and norms or established requirements on economic consumption of energy during the design, construction, reconstruction, start-up of enterprises, electrical or thermal economy, nets, installations and other objects;

116.0.6. systematic unpractical and wasteful consumption of the electrical or thermal energy;

116.0.7. consumption of electrical or thermal energy without a meter;

116.0.8. willful connection to the electricity supply network, disconnected from it by the energy supplying company due to non-payment of the cost of consumed energy on time, stipulated by the contract on consumption of electrical or thermal energy—

- shall involve penalisation on natural persons at the rate of twenty to forty, on officials - sixty to ninety, on legal persons – one hundred fifty to three hundred manats. (1, 44, 119)

Article 117. Damage of the electrical supply nets with voltage up till 1000 volt or violation of regulations on protection of electrical nets with voltage exceeding 1000 volt

117.1. Damage of the electrical supply nets with voltage up till 1000 volt, which caused a break of supply of energy to consumers—

- shall involve penalisation on natural persons at the rate of ten to fifteen, on officials fifty to sixty manats.

117.2. Violation of regulations on protection of electrical supply nets with voltage exceeding 1000 volt—

- shall involve penalisation on natural persons at the rate of fifteen to thirty, on officials sixty to ninety manats. (1, 48)

Article 118. Plundering of natural gas, electrical or heating energy, or violation of rules of their use in household

Minor damage as a result of plunder of natural gas, electrical or heating energy, or violation of rules of their use in household—

- Shall result in application of penalty against natural persons at the amount of thirty to forty, executives- from eighty to ninety, legal entities from two hundred fifty to three hundred manats.

Note: For the purposes of this Article «minor» shall mean the amount of up to thousand manats. (1, 85, 119)

Chapter eleven. Administrative violations infringing upon brooding, veterinary-sanitary regulations

Article 119. Violation of the legislation on pedigree cattle-breeding
119.0. Violation of the legislation on *pedigree cattle-breeding*, i.e.:

119.0.1. sale of brood reserves not evaluated according to the acting standard documents, not corresponding to the state standards and not meeting zootechnical requirements;

119.0.2. use of manufacturers of unknown origin, not corresponding to the established requirements (standards);

119.0.3. non-observance of regulations of evaluation of brood reserves during their mass production or deliberate falsification of such indications;

119.0.4. reflection of unreliable information in the registration documents;

119.0.5. rendering a veterinary service without having a special license;

119.0.6. non-observance of zoning of breeds;

119.0.7. causing damage to local gene-pool of animals—

- shall involve penalisation on natural persons at the rate of twenty to twenty five, on officials fifty to seventy manats. (1, 99, 119, 124)

**Article 119-1. Violation of the law on horse breeding**

119-1.1. Failure to fulfil instructions of the relevant executive authority of the Azerbaijan Republic carrying out state oversight of horse breeding in the relevant sphere—

- shall entail imposition of penalty: for natural persons- at the rate of ten to twenty manats, for officials – thirty to fifty manats.

119-1.2. Violation of rules of issuing passports (certificates) to pedigree horses—

- shall entail imposition of penalty: for officials – forty to sixty manats.

119-1.3. Destroying pedigree cells of national horse breeds and those horse breeds that are included in the international genofond—

- shall entail imposition of penalty: for natural persons - at the rate of thirty to forty manats, for officials - at the rate of seventy to ninety manats, for legal persons – two hundred to two hundred fifty manats. (118, 124)

**Article 120. Violation of regulations on use achievements of selection**

120.0. Violation of regulations on use achievements of selection, i.e.:

120.0.1. appellation of the name to the achievements of selection being produced or sold, different from already registered;

120.0.2. deliberate appellation of the name to the achievements of selection being produced or sold, similar to other registered sort or breed;
120.0.3. creation of a confusion between the name given to the achievements of the selection being produced or sold, and the name of the other registered achievement, whereas they have too much similarity;

120.0.4. use of the achievements of the selection without making a licensed contract;

120.0.5. sale of the registered achievements of selection under other name deliberately swindling consumers;

120.0.6. sale of the achievements of selection without certificate;

120.0.7. making false records in the state register, application, documents of examination and tests—

- shall involve penalisation on natural persons at the rate of ten to fifteen, on officials thirty to fifty, on legal persons –one hundred to one hundred fifty manats. (1, 119)

**Article 121. Violation of the legislation on seed-growing**

121.0. Violation of the legislation on seed-growing, i.e.;

121.0.1. planting, sowing, stocking-up, and sale of seeds infected with items of guarantee, not corresponding to the state standards;

121.0.2. import, export and putting into trade seeds without having a certificate of conformance about grade of quality and seed and a forte-sanitary certificate;

121.0.3. non-observance of regulations on evaluation of the quality of the party of seeds or deliberate falsification of quality indications of seeds;

121.0.4. use of sorts of seeds of plants without making a license agreement;

121.0.5. non-observance of the main principles of seed-growing;

121.0.6. reflection of unreliable information in registration documents employed in seed-growing—

- shall involve penalisation on natural persons at the rate of ten to twenty, on officials thirty to forty five, on legal persons –one hundred to one hundred thirty manats. (1, 88, 119)

**Article 122. Violation of regulations of guarantee for plants**

122.1. Violation of regulations on fighting with diseases and pests of plants, which are considered as objects of guarantee for plants established by legislation, and also with guarantee weeds—

- shall involve penalisation on natural persons at the rate of ten to fifteen, on officials forty to sixty conventional financial units.
122.2. Export of guarantee seeds, plants and other products of vegetable origin from the guarantee zone without the license of the appropriate body of the executive power of the Azerbaijan Republic—

- shall involve penalisation on natural persons at the rate of five to ten, on officials thirty-five to forty-five conventional financial units. (1, 90)

**Article 123. Violation of legislation on phyto-sanitary control**

123.0. Violation of legislation on phyto-sanitary control, i.e.:

123.0.1. storage, sale and application of plant protection means at the sale points, storages and other production premises that do not comply with requirements on rules of sanitary hygiene and safety;

123.0.2. sterilization of pesticides, biological preparations and their compounds outside of dedicated places set by legislation;

123.0.3. planting on quarantine territory of plants sensitive to quarantine organisms, as well as export from quarantine zones of plants and other plant materials under quarantine control;

123.0.4. contamination of environment by hazardous chemical substances, use of preparations with highly toxic properties and not suitable for use;

123.0.5. production, sale, import, export and use of pesticides, biological preparations and other agrochemical substances, which failed the state tests, not registered and restricted for use, with exceptions stipulated under the legislation;

123.0.6. application of pesticides, biological preparations and agrochemical substances for plants cultivated for the purposes of production of high-quality (brand) vegetation products, titles of which are assigned by production origin in accordance with legislation;

123.0.7. sales of plants and plant products with residual volumes of pesticides and agrochemical substances exceeding the allowable norms;

123.0.8. application without permit of pesticides and other poisonous chemical substances in reservation areas, resort zones, health and tourist zones, water resort areas and other territories under protection in accordance with legislation, —

- Results in application of penalties against natural persons at the amount of twenty to forty, against executives at the amount of sixty to seventy, against legal entities at the amount of hundred to hundred fifty manats. (1, 90, 119)

**Article 123-1. Cultivation of plants, containing narcotic substances in the amounts required for personal needs and not for distribution**

Sowing, growing or gathering of plants, containing narcotic substances in the amounts required for personal needs and not for distribution —

- shall involve penalisation at the rate of ten to fifteen manats. (6, 94, 119)
Article 124. Transportation of materials not passing a guarantee examination and appropriate operations

Transportation of materials from frontier point, ports and river stations, rail-way stations, motor-coach terminal, airports and other frontier points, which were imported from the foreign countries and did not pass the guarantee examination and appropriate operation—

- shall involve penalisation on natural persons at the rate of five to fifteen, on officials thirty five to fifty manats. (1, 119)

Article 125. Violation of Law on veterinary

125.0. Violation of legislation on veterinary i.e.:

125.0.1. slaughter of cattle without veterinary inspection, not undergone the veterinary inspection, not complying with veterinary (veterinary-sanitary) requirements, outside of dedicated trade zones;

125.0.2. production and sale of animal products without appropriate veterinary (veterinary-sanitary) expertise as per provisions of legislation;

125.0.3. Non provision by relevant executive authority of information on mass disease or unusual state of animals, cases of animal mortality, and non-provision of isolation of such animals;

- Shall result in application of penalties against natural persons at the size of twenty to twenty five manats, executives- at the amount of forty to sixty manats, on legal persons- at the amount of hundred to one hundred fifty manats. (1, 81, 119)

Article 126. Violation of regulations of keeping dogs and cats

Violation of regulations on keeping dogs, cats and other domestic animals in cities or other settlings—

- shall involve penalisation on natural persons at the rate of five to twenty manats. (1, 119)

Article 127. Violation of requirements on preservation of sorts of animals and plants entered into the Red Book

Non-observance of requirements on preservation of animals entered into the Red Book of the Azerbaijan Republic and the list of specially protected sorts of plants and animals,—

- shall involve penalisation on natural persons at the rate of thirty to sixty manats. (1, 119)

Article 128. Violation of regulations on creation of zoological collections and their trade
128.1. Violation of established by legislation regulations on creation, enrichment, storage, use, state registration, import in the Azerbaijan Republic and shipment or export of zoological collections—

- shall involve penalisation on natural persons at the rate of twenty to twenty five, on officials sixty to eighty five manats.

128.2. Violation of established by legislation regulations on the trade of zoological collections—

- shall involve penalisation on natural persons at the rate of fifteen to twenty, on officials thirty to fifty manats. (1, 119)

Article 129. Brutal treatment of animals, non-conducting of measures on protection of animals and other objects of the animal world

129.1. Brutal treatment of animals, resulted in their death or severe injury,—

- shall involve penalisation at the rate of twenty five to forty five manats.

129.2. Violation of regulations on purchase, sale, shipment, export from the Azerbaijan Republic or import into Azerbaijan Republic objects of the animal world—

- shall involve penalisation on natural persons at the rate of twenty to thirty five manats. (1, 119)

Chapter twelve. Administrative violations infringing upon regulations in the field of air, sea, river and railway transports

Article 130. Violation of regulations on safety of flights

130.1. Location on the area of aerodromes of any signs and facilities, similar to signs and facilities of marking accepted for recognition of aerodromes, or burn of pyrotechnic products without an appropriate permission, or installation of objects contributing to mass gathering of birds dangerous for flights of aircraft—

- shall involve penalisation on natural persons at the rate of ten to thirty manats.

130.2. Any shot, launch of rocket, explosive and other works connected with the use of air airspace of the Azerbaijan Republic and causing thereby a threat to the safety of flights, without the permission for it—

- shall involve penalisation on natural persons at the rate of fifteen to forty manats.

130.3. Non-observance of regulations on mounting of night and day signs or facilities of marking on buildings and installations—

- shall involve penalisation on natural persons at the rate of ten to fifty manats.

130.4. Damage of the aerodrome equipment, aerodrome signs, aircrafts and their equipment—
shall involve penalisation on natural persons at the rate of fifteen to twenty manats.

130.5. passage or thoroughfare without a proper permission through territory of the airports (with exception of airport building), aerodromes, objects of radio- and lighting provisions for flights—

shall involve penalisation on natural persons at the rate of fifteen to twenty five manats.

130.6. Making of flight with supersonic speed in the airspace of the Azerbaijan Republic without special permit of the respective executive authority —

shall involve penalisation on natural persons at the rate of 20-30 manats, on officials — 50-70 manats. (1, 74, 119)

Article 130-1. Illegal removal of the fragments of crashed aircraft or transported objects (cargo, luggage) from the place of aviation accident

Removal of any fragments of crashed aircraft or transported objects (cargo, luggage) from the place of aviation accident without permission of the commission, investigating aviation accident —

shall involve penalisation on natural persons at the rate of 20-30 manats, on officials — 50-70 manats. (74, 119)

Article 131. Violation of regulations on transportation of passengers, luggage, freights, post, dangerous substances and items and regulations on tariffs for air transport

131.1. Violation of regulations on transportation of passengers, luggage, freights, post, and items and regulations on tariffs for air transport—

shall involve penalisation on natural persons at the rate of ten to fifteen, on officials - forty to sixty manats.

131.2. Violation of regulations of transportation of dangerous substances and items in the air transport—

shall involve penalisation on natural persons at the rate of five to ten manats with repayable withdrawal or confiscation of mentioned materials and items or without the same, and on officials - at the rate of forty to sixty manats. (1, 119)

Article 132. Violation of regulations on protection of freights in an air transport

132.1. Damage of seals and locking arm of containers, break of their seal, damage of separate cargoes and their packing, packs, and also fences of warehouses, which are used for works, connected with transportation of goods in an air transport—

shall involve penalisation on natural persons at the rate of ten to fifteen, on officials forty to sixty manats.
132.2. Damage of containers and transport facilities, assigned for transportation of goods in an air transport—

- shall involve penalisation on natural persons at the rate of fifteen to twenty, on officials fifty to seventy manats. (1, 119)

**Article 133. Violation of regulations on behaviour in the aircraft**

133.1. Non-observance of instructions of the jockey by passengers of the aircraft—

- shall involve penalisation on natural persons at the rate of twenty to twenty five manats.

133.2. Violation of established special regulations on use of computer facilities, means of photographing, filming and radio communication in the aircraft—

- shall involve penalisation at the rate of twenty to thirty five manats. (1, 119)

**Article 134. Smoking in restricted areas in an aircraft**

Smoking in restricted areas of the air transport—

- shall involve penalisation at the rate of thirty to forty manats. (1, 119)

**Article 135. Violation of regulations ensuring safety of traffic in the railway transport**

135.1. Damage of the railway, protective forest plantations, snow-fences and other road objects, buildings and installations of signalling and communication—

- shall involve penalisation on natural persons at the rate of ten to fifteen, for officials - thirty five to fifty five manats.

135.2. Non-observance of established overall dimensions during loading and unloading of the goods—

- shall involve penalisation on natural persons at the rate of fifteen to twenty, for officials - forty five to sixty five manats.

135.3. Putting on the railways items, which may cause break of the railway traffic—

- shall involve penalisation on natural persons at the rate of twenty to twenty five, for officials - fifty five to eighty manats. (1, 119)

**Article 136. Violation of regulations on usage of facilities of the railway transport**

136.1. Willful passage in the freight trains, boarding, landing without stopping the train, passage on the steps and roofs of carriages, willful, unnecessarily stopping of trains—

- shall involve penalisation at the rate of fifteen to twenty manats.

136.2. Throwing a rubbish or other items out of windows and doors of the trains—
Article 137. Damage of glasses or internal equipment of the passenger carriages, locomotives in railway transport

Damage of glasses or internal equipment of the passenger carriages, locomotives in a railway transport—

- shall involve penalisation at the rate of ten to fifteen manats. (1, 119)

Article 138. Violation of regulations on carriage of dangerous substances and items in railway transport

Violation of regulations on carriage of dangerous substances and items as hand luggage in railway transport—

- shall involve penalisation at the rate of fifteen to twenty manats. (1, 119)

Article 139. Violation of regulations on protection of goods in the railway transport

139.1. Damage of the rolling stock, containers designed for carriage of goods, and also transportation facilities—

- shall involve penalisation at the rate of ten to thirty manats.

139.2. Damage of freight carriages, containers, their seals and locking arm, break of seals from them, damage of separate freights and the packing, packs, fences of warehouse depots, railway stations, container points (grounds) and warehouses, which are used for works connected with freight forwarding—

- shall involve penalisation at the rate of fifteen to forty manats. (1, 119)

Article 140. Smoking in restricted areas of the railway transport

Smoking in restricted areas of the railway transport—

- shall involve penalisation at the rate of five to fifteen manats. (1, 119)

Article 141. Violation of regulations ensuring safety on the sea and river transport

141.1. Violation of rules on entrance of ships into port and outlet from it on the sea and river transport, movement and stopping of ships at the port waters—

- shall involve penalisation on natural person at the rate of ten to fifteen, on officials - forty to fifty five manats.

141.2. Conducting of diving jobs at the port waters without proper permission or non-observance of regulations of giving signal during these operations—

- shall involve penalisation on natural person at the rate of fifteen to twenty, on officials - forty fifty to seventy manats.
141.3. If the pilot is not provided with accurate data or false data about draft, length, width and displacement of the vessel is submitted —

- captain of the vessel will be subject to penalisation at the rate of fifty to ninety manats. (1, 10, 119)

**Article 142. Violation of regulations, ensuring the safety of passengers in the ships of sea and river transport**

142.1. Violation of regulations, ensuring the safety of passengers,—

- shall involve penalisation on natural person at the rate of fifteen to twenty five, on officials - thirty to fifty manats.

142.2. Throwing over board of the ship garbage and other items—

- shall involve penalisation at the rate of ten to fifteen manats. (1, 119)

**Article 143. Damage of buildings and installations of signalling and communication in the sea and river transports**

Damage of buildings and installations of signalling and communication in the sea and river transports—

- shall involve penalisation at the rate of ten to twenty manats. (1, 119)

**Article 144. Violation of regulations on registration, record and maintenance of ships of small size**

Violation of regulations on registration and record of small ships being under control of the appropriate bodies of executive power of the Azerbaijan Republic, and regulations on use of such ships and depots (buildings) for their stop—

- shall involve penalisation on natural person at the rate of ten to thirty five manats or restriction of a small ship control for six months to two years. (1, 119)

**Article 144-1. Violation of ships registration regulations**

Evasion of obligatory registration of the ship, registration of the ship in one of the ship’s register in violation of the established procedure or if the notification about change of data, entered to ship’s register is not provided,

- shall involve penalisation at the rate of twenty to forty manats. (10, 119)

**Article 145. Violation of rules on loading, unloading and warehousing of goods at ports**

Violation of rules on loading, unloading and warehousing of goods at ports—

- shall involve penalisation on natural person at the rate of ten to fifteen, on officials - thirty five to fifty manats. (1, 119)
Article 146. Violation of rules on carriage of dangerous substances and items on sea and river transport

146.1. Violation of rules on carriage of dangerous substances and items as hand luggage on sea and river transport—

- shall involve warning or penalisation at the rate of fifteen to twenty manats.

146.2. Violation of rules on carriage of dangerous substances and items on sea and river transport—

- shall involve warning or penalisation at the rate of five to ten manats. (1, 119)

Article 147. Violation of rules on protection of goods in sea and river transports

147.1. Damage of floating transport facilities, designed for transportation of goods, and also transportation facilities—

- shall involve penalisation at the rate of ten to thirty manats.

147.2. Damage of containers, their seals and locking arms, break of the seal from them, damage of any goods, and their packing, packs, fences of warehouse depots, warehouse areas (grounds) of ports (docks), container depots (grounds), locks and storehouses, which are used for works related to freight forwarding—

- shall involve penalisation at the rate of fifteen to thirty five manats. (1, 119)

Article 148. Smoking in restricted areas in sea and river transport

Smoking in restricted areas in sea and river transport—

- shall involve penalisation at the rate of seven to thirteen manats. (1, 119)

Article 149. Passage at a transport without tickets

149.1. Passage without tickets of passengers on trolley buses, trams, buses of the city at suburban traffic, route taxis—

- shall involve penalisation at the rate of three manats.

149.2. Passage without tickets of passengers on intercity buses —

- shall involve penalisation at the rate of ten manats.

149.3. Passage without tickets of passengers on international buses —

- shall involve penalisation at the rate of twenty manats.

149.4. Passage without tickets of passengers on railway transport—

- shall involve penalisation at the rate of fifteen to thirty manats.
149.5. Passage without tickets of passengers on sea and river transport—

- shall involve penalisation at the rate of thirty to thirty five manats.

149.6. Passage without tickets of passengers on air transport—

- shall involve penalisation at the rate of thirty five to forty manats. (1, 62, 119)

Article 150. Passage without ticket of carriage of passengers on transport facility

150.1. Passage without ticket of carriage of passengers on trolley buses, trams, buses of the city at suburban traffic, route taxis—

- shall involve penalisation at the rate of five to fifteen manats.

150.2. Passage without ticket of carriage of passengers on intercity buses —

- shall involve penalisation at the rate of fifteen manats.

150.3. Passage without ticket of carriage of passengers on international buses —

- shall involve penalisation at the rate of thirty manats.

150.4. Passage without ticket of carriage of passengers on railway transport—

- shall involve penalisation at the rate of five to ten manats.

150.5. Passage without ticket of carriage of passengers on sea and river transport—

- shall involve penalisation at the rate of fifteen to twenty five manats.

150.6. Passage without ticket of carriage of passengers on air transport—

- shall involve penalisation at the rate of twenty to forty manats. (1, 62, 119)

Article 150-1. Conveyance of passengers without documents

Conveyance of passengers without documents for entry to the territory or exit from the territory of respective state, persons carrying out international transportation,—

- shall involve penalisation of natural persons at the rate of one hundred to three hundred manats, official persons – three hundred to five hundred manats, legal entities – one thousand to three thousand manats. (66, 119, 129)

Chapter thirteen. Administrative violations infringing upon regulations of street traffic

Article 151. Violation of traffic rules by the drivers of transport means

151.1. Speed limit exceed from 10 to 30 km/hour, non-compliance with requirements of road marks or road striping, parking of vehicles at on traffic ways or passage of pedestrian walks, as well as violation of rules of interval maintenance, parking, towing,
transportation of cargoes, use of lights, horns, safety belts or motor helmets, driving practices, throw from vehicle of any items—

- Shall be punished by the restriction of right to operate the transport means for the period of up to one year.

151.5. Commitment of minor injury or material damage to person, who was the victim of the violations stipulated under Articles 151.1—151.3 of this Code,—

- Shall be subject to penalties at the amount of one hundred to one hundred forty manats or restriction of the right to operate the transport for the period of up to one year.

Note: violation of rules of traffic specified under Article 151.2 of this Code, shall be subject to 3 penalty points and Article 151.3-4 penalty points. (1, 8, 68, 102, 119)

Article 152. Operations of transport means by persons who are not entitled to operate

152.1. Operation of the transport means without power of attorney, with exception of cases, when the person holding the right of ownership of motor transport is present in the vehicle,—

- Shall be subject to penalty at the size of forty manats.

152.2. Operation of transport means without rights of operation—

- Shall be subject to penalty at the size of sixty manats.
152.3. Repeated within one year by the person, of violations stipulated under Articles 152.1 or 152.2 of this Code—

- Shall be subject to penalty at the size of eighty to one hundred manats.

152.4. Minor injuries or material damage to person suffered from violations stipulated under Articles 152.1 or 152.2 of this Code,—

- Shall be subject to penalty at the size of one hundred forty to one hundred eighty manats or with consideration of circumstances of the case and identity of violator the administrative arrest is applied for the period of up to fifteen days.\(^{(1, 30, 8, 68, 102, 119)}\)

Article 152-1. Operation of the transport by the person holding the right of operation under the substance influence of narcotics, alcohol, psychotropic substances or other strong substances

152-1.1. Operation of the transport by the person holding the right of operation under the substance influence of narcotics, alcohol, psychotropic substances or other strong substances—

- Shall be subject to penalty at the size of eighty to one hundred manats.

152-1.2. Operation of the transport by the person holding the right of operation under the substance influence of narcotics, alcohol, psychotropic substances or other strong substances and commitment of violations stipulated under Articles 151.2 or 151.3 of this Code,—

- Shall be penalized at the size of hundred twenty to hundred fifty manats.

152-1.3. Accumulation of 10 and more points within one year by the driver, who have committed violations assigned with points, as per Articles 152-1.1 or 152-1.2 of this Code,—

- Shall be subject to penalty by restriction of the right of operations of motor transport for the period of up to two years.

152-1.4. Minor injury or material damage to person, who was the victim of violations stipulated under Articles 152-1.1 or 152-1.2 of this Code,—

- Shall be penalized at the size of hundred seventy to two hundred manats with restriction of the right of operation of the transport for the period of up to two years or with consideration of the circumstances of the case and identity of the violator the administrative arrest for up to 15 days shall be applied with restriction of driving rights for up to two years.

Note: Violations specified in Articles 152-1.1 or 152-1.2 of this Code shall be evaluated as 5 penalty points. \(^{(102, 119)}\)

Article 152-2. Operation of the transport by the person not holding the right of operation under the substance influence of narcotics, alcohol, psychotropic substances or other strong substances
substances and commitment of violations stipulated under Articles 151.2 or 151.3 of this Code,—

152-2.1. Operation of the transport by the person not holding the right of operation under the substance influence of narcotics, alcohol, psychotropic substances or other strong substances and commitment of violations stipulated under Articles 151.2 or 151.3 of this Code,—

§ Shall be subject to penalty at the size of one hundred fifty to two hundred manats.

152-2.2. Repetitive commitment by the individual of violations stipulated under Article 152-2.1 of this Code—

§ Shall be subject to penalty at the size of two hundred to three hundred manats, or with consideration of circumstances of the case and identity of violator, administrative arrest for the period of up to ten days.

152-2.3. Minor injury or material damage to the person, victim of violations stipulated under Article 152-2.1 of this Code,—

§ Shall be penalized at the size of three hundred to four hundred manats or with consideration of circumstances of the case and identity of violator, administrative arrest for the period of up to fifteen days. (102, 119)

Article 152-3. Transfer of operation of transport mean by its owner to the person not holding the right of operations of the transport mean.

152-3.1. Transfer of operation of transport mean by its owner to the person not holding the right of operations of the transport mean —

§ shall result in penalty against natural persons at the size of forty to sixty manats, against executives at the size of one hundred fifty to two hundred, against legal entities at the size of one thousand five hundred to two thousands conventional manats.

152-3.2. Repetitive commitment by the individual of violations stipulated under Article 152-3.1 of this Code—

§ shall result in penalty against natural persons at the size of eighty to one hundred manats, against executives at the size of two hundred to three hundred, against legal entities at the size of two thousands five hundred to three thousands manats.

152-3.3. Minor injury or material damage to the person, victim of violations stipulated under Article 152-3.1 of this Code,—

§ shall result in penalty against natural persons at the size of one hundred forty to one hundred eighty conventional financial units, against executives at the size of four hundred to five hundred, against legal entities at the size of four thousands to five thousands manats. (102, 119)

Article 152-4. Handover of vehicle by owner of transport to the person under substance influence
152-4.1. Handover of vehicle by owner of transport to the person under substance influence—

§ shall result in penalty against natural persons at the size of eighty to one hundred manats, against executives at the size of two hundred fifty to three hundred manats, against legal entities at the size of two thousands five hundred to three thousands manats.

152-4.2. Repetitive commitment by the individual of violations stipulated under Article 152-4.1 of this Code—

§ shall result in penalty against natural persons at the size of one hundred fifty to three hundreds conventional financial units, against executives at the size of three hundred fifty to four hundred manats, against legal entities at the size of three thousands to four thousands manats.

152-4.3. Minor injury or material damage to the person, victim of violations stipulated under Article 152-3.1 of this Code,—

§ shall result in penalty against natural persons at the size of two hundred to three hundred conventional financial units, against executives at the size of five hundred fifty to six hundred manats, against legal entities at the size of five thousands to six thousands manats. (102, 119)

Article 152-5. Handover of vehicle by owner of transport to the person under substance influence and not holding the rights to operate the transport

152-5.1. Handover of vehicle by owner of transport to the person under substance influence and not holding the rights to operate the transport —

§ shall result in penalty against natural persons at the size of one hundred fifty to two hundred conventional financial units, against executives at the size of three hundred fifty to four hundred manats, against legal entities at the size of three thousand five hundred to four thousand manats.

152-5.2. Repetitive commitment by the individual of violations stipulated under Article 152-5.1 of this Code—

§ shall result in penalty against natural persons at the size of two hundred to three hundred conventional financial units, against executives at the size of five hundred fifty to six hundred manats, against legal entities at the size of five thousand to six thousand manats.

152-5.3. Minor injury or material damage to the person, victim of violations stipulated under Article 152-5.1 of this Code,—

- shall result in penalty against natural persons at the size of three hundred to four hundred manats, against executives at the size of seven hundred to eight hundred conventional financial units, against legal entities at the size of seven thousand to eight thousand manats. (102, 119)
Article 153. Violation of traffic regulations by pedestrian and other participants of the traffic

153.1. Violation of traffic regulations by pedestrian, i.e.:

153.1.1. non-observance of requirements of the pedestrian traffic light and signals of the traffic controller;

153.1.2. crossing the traffic way, railway crossing where it was forbidden;

153.1.3. a sudden appearance on the road before the approaching transport facility;

153.1.4. non-vacation of the traffic way on approaching a transport facility with the red and blue flashing and a special chime—

- shall involve penalisation at the rate of ten manats.

   - entails imposition on official persons of penalty in amount of 40-50, legal persons- 150-200 manats. (1, 119)

**Article 167. Violation of rules of protection of trunk pipeline**

Violation of rules of protection of trunk pipeline

   - entails notice of natural persons or imposition of penalty on them in amount of 10-20 manats, notice of official persons or imposition on them of penalty in amount of 60-80 manats. (1, 48, 119)

**Article 168. Damage of gas pipeline (oil pipeline) during execution of works**

Damage of gas pipelines (oil pipelines) during execution of works—
- entails imposition on natural persons of penalty in amount of 35-40, official persons - 60-80 and legal persons - 90-150 manats. (1, 48, 119)

Chapter fifteen. Administrative misconduct, encroaching on communication rules

Article 169. Installation and maintenance of communication means, acknowledged by sources of electric and magnetic radiation, without their state registration

Purchase, installation or maintenance of communication means, acknowledged by sources of electric and magnetic radiation, or communication means and other technical means, applied for television and radio-broadcasting without their state registration in order established by legislation, violation of rules of realisation of such means and non-observance of technical norms of radio wave radiation—

- entails imposition on natural persons of penalty in amount of 25-35, official persons - 70-90, legal persons - 200-250 manats with confiscation of communication equipment, operated as a result of such connection or without such one. (1, 119)

Article 170. Connecting to networks and communication means without corresponding permission

Connecting to networks and communication means without corresponding permission issued in order established by legislation,—

- entails imposition on natural persons of penalty in amount of 35-40, official persons in amount of 60-80, legal persons in amount of 150-200 manats with confiscation of communication equipment, operated as a result of such connection or without such one. (1, 119)

Article 171. Violation of rules of manufacture, purchase, import, use and registration of radio-electronic communication means, radio communication and devices of high frequency

Violation of established by legislation rules of manufacture, purchase, import, use and registration of radio-electronic communication means, radio communication and devices of high frequency or creation of interference at application of frequencies for work of radio and electronic means and high frequency of all purposes or at receiving of television and radio broadcasting—

- entails imposition on natural persons of penalty in amount of 30-40, official persons - 70-90 and legal persons - 180-250 manats. (1, 119)

Article 172. Violation of rules of protection of means, lines and structures of communication

Violation of established by legislation rules of protection of means, lines and structures of communication or damage of means, lines of communication and cable structures—

- entails imposition on natural persons of penalty in amount of 30-40, official persons - 60-80, legal persons - 250-300 manats. (1, 119)
Article 172-1. Making calls with illegal intrusion to telephone lines

Making calls with illegal intrusion to the telephone communication line of the subscriber causing insignificant losses to injured party —

- entails imposition of penalty in the amount of 20-40 manats.

Note: In this Article «the sum of insignificant losses» means an amount up to one thousand manats. (68, 119)

Article 173. Issue or distribution of post stamps and other signs of post payment

Illegal issue or violation of rules of issue and circulation of post stamps, stamped envelopes and postcards, other signs of post payment and other objects of philately —

- entails imposition on natural persons of penalty in amount of 25-35, official persons - 65-80, legal persons - 250-300 manats with confiscation of post stamps, other signs of post payment and other objects of philately or without such one. (1, 119)

Article 174. Violation of rules of delivery of communication services

Violation of rules of delivery of communication services, i.e. non-observance of existing standards, norms and rules, and also of agreement conditions during execution of communication activity —

- entails notice or imposition of penalty in amount of 10-30 manats. (1, 119)

Article 175. Application of non-certified communication means and delivery of non-certified communication services

Application of non-certified communication means and delivery of non-certified communication services, which by legislation are subjected to certification, —

- entails imposition on natural persons of penalty in amount of 25-35, official persons - 60-80, legal persons - 120-140 manats with confiscation of communication means, operated as a result of such connection or without such one. (1, 79, 119)

Article 176. Violation of rules and norms of designing, construction and maintenance of networks and communication structures

Violation of rules and norms of designing, construction and maintenance of networks and communication structures, —

- entails imposition on natural persons of penalty in amount of 15-25, official persons - 50-70 and legal persons - 200-250 manats. (1, 119)

Article 177 Prevention of liquidation of accidents on lines of electric communication of state importance by owner or user of place, where accident occurred
Prevention of liquidation of accidents on electric communication line of state importance by owner or user of place, where accident occurred—

- entails imposition on natural persons of penalty in amount of 25-35, official persons - 70-90, legal persons - 200-250 manats. (1, 119)

Article 178. Conducting of works without corresponding permission in the areas of protection of means, installations and lines of communication

Conducting of construction works or other works in areas of protection of means, installations and lines of communication without corresponding permission—

- entails imposition of penalty on natural persons in amount of 30-40, official persons - 60-80 and legal persons - 200-250 manats. (1, 119)

Article 179. Damage of public telephone boxes

Damage of public telephone boxes—

- entails imposition of penalty in amount of 30-40 manats. (1, 119)

Article 180 Rendering of communication services without corresponding permission

Rendering of communication services with application of systems, installations and lines of communication with aim to gain earning or to use networks and means of communication for such purposes—

- entails imposition of penalty on natural persons in amount of 35-40, official persons- 50-70 and legal persons- 200-250 conventional financial units with confiscation of communication equipment, applied for rendering of such services (connection), or without such one. (1, 119)

Chapter sixteen. Administrative misconduct, encroaching on rules of application, distribution and protection of information

Article 181. Violation of rules of application of information reserves

Violation of rules of application of information reserves—

- entails imposition on natural persons of penalty in amount of 5-15, official persons - 40-50 and legal persons - 90-130 manats. (1, 119)

Article 181-1. Illegal restriction of provision of the information about environment

Illegal restriction of provision of the information about environment —

shall involve penalisation on officials in the amount of fifty manats. (18, 119)

Article 181-2. Evasion of investigation of the inquiry on declassification of confidential data per se
Evasion of investigation of the inquiry of citizens, companies, organizations and governmental institutions of the Azerbaijan Republic on declassification of confidential data per se —

- shall involve penalisation on officials in the amount of 70-90 manats. (69, 119)
